

Gisburn Auction Marts

Lancashire's Leading Livestock Centre

SUPREME CHAMPION 2017

Gisburn Auction champion homebred heifer bred by Jeff Burrow, Skipton bought and shown by John Mellin and Clare Cropper, Long Preston was placed first in every class and went on to win the Overall Supreme Commercial Championship at the Great Yorkshire Show 2017.

The champion heifer is out of a Limousin cow and sired by one of Jeff's own British Blue stock bulls. It has always been his ambition to supply high-end retail butchers and restarauters.

This was evident when John and Clare bought the champion heifer at Gisburn Auction's May Anniversary Show. The Great Yorkshire Show was the heifer's first time out and it wasn't long before the talent was spotted and is now headed across the water to the Ireland shows.

John and Clare can be seen showing their other prize winning cattle at local and county shows throughout the northwest and Gisburn Auction.
