Fred Spurgeon, Auctioneer, is doing a charity auction for Fylde Vintage Club at Weeton Village Hall on Friday 2nd November. This is the third year and has raised hundreds of pounds for various cancer charities and hospices.

“I would really like to auction something *special*. Have you an old tractor laying in the nettles, or a vintage machine rotting away?”

If so, please consider donating it so we can make some money for good causes.

Please ring Fred on 07713 075660
