WATER BUFFALO

- Silage fed
- Registered with BCMS passports.
- Wormed, TB Tested (currently TB4).

Telephone Ann 07710 709979 or email afaraday@rtturner.co.uk

Some buffalo facts! Good disease resistance (including TB) • Easy calving • High fertility levels
• very healthy meat lower in cholesterol, higher in mineral content and less than half the fat content of conventional lean beef. Apparently tastes like beef used to! • A creamier yet healthier milk—double the butterfat but less cholesterol content • Genetic cousins of the Asian water buffalo • Dairy production of Mozzarella
