OBJECTIVES

GISBURN AUCTION MART'S objective is to encourage young people (under 27 years old), the future of our industry, to buy and sell cattle through

the live auction ring and to gain experience and business skills in the art of showmanship. The tasks of selection, feeding and presenting animals for show and sale are essential for the future well being of the beef industry.

Young people are offered the opportunity to purchase cattle (interest free) at any Gisburn August, September, October and November sales, feeding them through the winter to then return to auction to offer them for show and sale at the Gisburn Spring Store Cattle Sale.

The Competition is about keeping the skills of stockmanship alive and thriving. The high standards each competitor strives for and the knowledge gained to take them into their adult working life is a lasting legacy.
