OBJECTIVES OF THE COMPETITION

GISBURN AUCTION MART'S objective is to encourage young people (under 27 years old), the future of our industry, to buy and sell cattle through the live auction ring and to gain experience and business skills in the art of showmanship in the tasks of selection, feeding and presenting animals for show and sale, which is essential for the future well being of the beef industry. Young people are offered the opportunity to purchase cattle (interest free) at any Gisburn August, September, October and November sales and feed them through the winter and offer them for show and sale at Gisburn Spring Store Cattle Sale.

Each competitor and their family have put a tremendous amount of work into the nurturing and training of these animals, we wish you all the very best of luck.
