Variety was the spice of life in the Stirk department today! The majority forward today were black and white to £455, averaged £372, interspersed with continentals, the best of which came from R & VJ Brown, Kirkby Malham with a six month BB bull at £780. Venturing down from Leyburn to Gisburn for the first time proved a success for David Findlay with Hereford cross heifer stirks to £490 and steers to £575. Top price heifers were from Mrs Diane Mares, Darwen with BB and Limousin readily selling for £755, proving Gisburn really does have purchasers for all quality of cattle.

With just shy of 2000 head forward at Gisburn Auction's sale of sheep and lambs on Saturday, this must have been the largest sale of the season in the north of England so far. Well known local pedigree breeder, Stuart Currie of Rathmell topped the trade with Beltex ewes and lambs at £350 and £320 and Texel ewes with twins at foot to £290. Mule ewes with twins sold to £202, shearlings with twins to £225 and Raymond Johnson of Felliscliffe sold his hoggs with singles between £200 - £225. Richard Umpleby, Killinghall brought another batch of powerful Suffolk x hoggs selling in the £180 - £195 bracket, the majority heading for pastures new in Cheshire! Simon Bennett, Silsden came with his annual consignment of well grown Texel hoggs with singles selling for £220, £220 and £198. Watch out now for the Anniversary Sale on Saturday 5th May, which promises a fantastic entry of sheep with lambs at foot including the annual production sale of show quality stock from Anthony Thompson, Foulridge.

Auctioneers comment:

A good show of hoggs to today's bank holiday sale giving a great overall SQQ overage of 210p/Kg. Still a lot of heavy weighted hoggs about still taking a lot of selling and not much change in price week on week. Lightweights and handy weighted hoggs in keen demand and slightly up on the week. Buyers starting to look for Spring Lambs and other orders looking like developing in the near future.

Ewes a fantastic trade with many Mule ewes over the £100 mark and continental types easy to sell over £120 per head topping at £134. Horned Lonk and Grit ewes up to £97 per head. Ewes in keen demand keep them coming.
