516 MACHINERY & EQUIPMENT LOTS			

A total of 516 lots were forward at Gisburn Auction Marts Spring Machinery & Equipment Sale on Saturday 20 April. The bright sunshine attracted a great crowd, many enjoying their first day out after a busy lambing time and were not disappointed with the impressive array of large grassland equipment, plant machinery and older tractors on offer, but very few small tools.

A superb, locally owned Case 885XL tractor sold for the day's top price of £6000—a good working tractor with no VAT. A Massey Ferguson 35X on good tyres in very original off-farm condition sold for £2000. A David Brown 880, which had been a scraper tractor, though still in fair condition, was well sold at £970. Several items belonging to a deceased local tractor enthusiast attracted a flurry of bids from the crowd along with several undisclosed buyers on mobile phones. These included a yellow Industrial MF Tractor at £2400 which went to a collector, though it was the next lot that the vintage men were all waiting for—a pair of 36" PAVT wheels with 90% Firestone tyres, which started off at £500 and following some determined bidding on telephones, eventually saw the hammer fall at £730, to a Massey Ferguson collector. A small entry of plant saw a large loader bucket sell for £700 and a well-used JCB 1.5 Tonne digger complete with trailer and buckets sold for £3800. Opico Harrows sold for £1200, Land Rollers £580, Amozone Fertilizer Spreader £720.

Auctioneer, Fred Spurgeon "Even though there was no really stars in the sale, today's trade clearly showed there is a strong demand for second-hand machinery and equipment." Richard Turner & Son, Auctioneers next sale will be a Bygones Dispersal on Thursday 9 May at Longridge, Preston and Gisburn Auction Marts next Machinery & Equipment sale will be on Saturday 1 June with this sale including a special section of Border Fine Arts Models for more details contact Tel 01200 445376.

With some of the top prefixes in the north represented at Gisburn Auction Marts April show and sale of pedigree dairy cattle last Thursday (18 April), buyers were not disappointed with the quality of cattle on offer. David Hall, Airebank herd, Coniston Cold, Skipton, North Yorks., an experienced cattle judge, had the challenge of judging a very strong heifer class. Finally placing regular vendor-Colin Singleton, Goosnargh, Preston, Lancashire who fought off strong competition to claim the championship award, with Whytill Reece Lady Beatty 423, sired by Ashew Reece. Giving 38 litres with a VG dam and Ex grand dam, she certainly was every pedigree breeders dream come true, taking her home at £2450 was N & K Forshaw, Longridge. Preston, Lancs. The same buyers went on to pick up Mr Singleton next lot, another heifer, three weeks calved and this time giving 30 litres at £2200. Their final purchase was the reserve champion at £2020 from Andrew & Alison Holgate, Rathmell, Settle, North Yorks., a Kamps Hollow Red heifer, just two years old she looked sure to mature into a great cow. Others notable newly calved heifer prices were A Bretherton & Sons, Whitechapel, Preston, Lancs., at £2180. W & A Booth, Feizor, Austwick, Lancaster at £2140, J & J Layfield, Ilkley, West Yorks., at £2000 and Eric Armer, Catforth, Preston at £2000. Pedigree newly calved cows were easily sold with E Lund & Son, Ingleton, Carnforth, Lancs., second lactation cow selling at £1980 to D & A Tetlow, Middleton. David Cowgill, Bashall Eaves, Clitheroe achieved £1920 for his second lactation cow, sired by Joyland Contract and giving 41 litres, taking her home was Roy Swinson, Carlisle, Cumbria. Commenting on the day's sale, dairy auctioneer, Fred Spurgeon said "Despite silage stock being low and heavy nights rain delaying turnout further, the mood among buyers was extremely positive." The show was generously sponsored by Enviro Systems and Cogent Breeding.

Auctioneer Jonathan Turner commented – A good day for sheep trade all round. With 14 spring lambs forward which met a good trade topping at 300p/kg or £120 per head from GA Hewitt & Son with smart pair of Texel bred lambs selling to SA Swales, Knivesmire Butchers. Hoggs again were a good trade on the week where more could have been sold to vendors advantages. Overall average was 207p/kg or £87 per head. Most noticeably was the attraction to heavy weighted Hoggs topping at £129 per head or 227p/Kg from M Lancaster. Topping the market was I & K Smith at 262p/kg with a smart run of Texel/Beltex hoggs. Lightweight Swaledale and Mule hoggs were also in strong demand and attracted premium prices regularly 200p/kg to 220p/kg. A large consignment of lightweight Cheviot hoggs from B Lancaster & Son weighing 34kg sold to £73 per head or 215p/kg.

Cast Ewes were a roaring trade hitting some of the best trade seen yet this year. Three Texel rams from R Smith sold at £130 and all other ewes £15 to £20 or more above last weeks levels. Please note John Wood shall be scanning ewes next Monday between 10.45am – 11.15am.
