A good show of lambs this afternoon considering weather and Great Yorkshire Show. A large show of heavy weighted lambs forward just dragging the overall average back slightly. However this did not affect the trade for all the handy weighted lambs 38kgs to 42kgs still 230p/kg to 250p/kg. Topping trade at £108 for Texel lambs was J Cliffe. Ewes a very strong trade with all types and quality's good to sell with the imposing ethnic festivals in sight.
