The mood was much more positive today in the dairy ring and in general prices were slightly up on last week. It seems the £2000 barrier will have to be something special. Top price a homebred heifer at £1950 from David Graveston to Wick Williams. Harold Ward achieved £1940 to Richard Clayton. In Calf heifers bucked the trend selling £1780, £1720 & £1700 from Malcolm Bretton and Alan Harker achieved £1600. Next week is Dugdales Dairy Show with 60+ expected-Look out from next week's dairy text. The third production sale of Holstein Friesian bulling heifers from David & Sue Graveston met a strong trade from regular buyers and local farmers. With forty cattle on offer all shown to a very high standard along with BVD free status these heifers would suit any buyer. The young heifers especially by named sires sold well to £980 & £960. They averaged £869-these cattle were a pleasure to sell and a credit the vendor.

<p>Auctioneers comment: Good to see some old faces this Monday morning and realise a much better than anticipated trade. <b>Averaging 172p/Kg or £71 per head</b> this morning there were less lambs forward than last week when more were expected and more could have been sold to vendors advantage. Lots of weight about this morning and in general most commercial types out of Mules would be around the £69 - £78 per head mark with ¾ bred lambs up and over the 200p/Kg mark. Cast sheep slightly harder to sell as Ramadan now draws to a close however Mules still at £70 per head and horned ewes £55 a piece. For any further info please call J Turner 07834772276.</p>

<p>This Saturday's sale included the special summer young handlers sheep show and sale. Laura Robinson, Tosside, Skipton was delighted to win the pair of breeding sheep show class for 16 to 27 years olds, she later went on to win the overall champion young handler with her Beltex lambs which sold for £135 to J Feather, Keighley. Next best in the bidding stakes at £114 was Hannah Chapman, Bewerley, Harrogate with her pair of Texel lambs which earlier in the day had won the second prize rosette in the 16-27 years old class. There was no arguments in the Glassbrook household from Hebden Bridge, when brothers Andrew &amp; Sameul both achieved £92 each for their pairs of Texel lambs. The sale of breeding ewes continued with Henry Atkinson, Kettleasing, Harrogate selling Texel ewes for £162. Whilst Andrew Bethell, Brindle., Chorley dispersing his sheep flock, saw his Mule ewes peak at £152 and his Texel ewes at £142. Despite being very late in the season T Cowin, Higher Walton, Preston sold Mule ewes with twin at foot for £210, the same vendor also sold Texel ewes with single lambs at foot for £182. Regular vendor Rachel Lund topped the sale at £2100 to John Pickervance, Brindle. Next in the bidding stakes was a heifer from B & J Hough & Son at £1900 to R Shuttleworth. Bidding was generally more cautious with Arla choosing to announce a milk price cut just prior to the sale. That said there was plenty of heifers at £1800-£1900. With Shorthorns to £1760 and almost every breed of dairy cattle represented-there certainly was something for everyone this week. A nice pen of heifer calves sold to £440. Next week usual selection of newly calved cattle-followed by D & S Graveston's annual production sale of 40 bulling, check the web for the catalogue in due course.

Auctioneers Comment: As expected today lambs falling in line with other markets across the country and slightly harder to cash around £4 per head less since the beginning of the week. With an overall average of 170p/Kg or £69 per head this may look well in the weeks to come. Best lambs still up to the £2 per kilo mark with commercial types out of Mules 160p/Kg to 180p/kg depending on quality. Ewes the surprise of the day with a bigger than expected entry and a good trade to match topping at £125 for best Texels and Horned ewes at £66 per head. Auctioneers comment: With a full compliment of buyers trade remains strong and very pleasing at Gisburn prime lamb auction. Price up again on the previous week with more lambs now coming forward in number. **Overall average today of 183p/Kg or £73.20 per head.** Most commercial sorts out of mules at £30 - £38 over their weight or between 175p/Kg – 185p/Kg. Best lambs with a nice pen of 6 Beltex from K Purtil, Wigan at 207p/Kg and others from W A Towler, Grindleton at 200p/Kg. Top price came from A Phillipson at £97 per head closely followed by A & G Pendlebury at £90.50 per head. Lightweight lambs very good to sell looking dear on the week. Cast ewes harder to cash today with a lot of plainer freshly weaned ewes finding their way to the sale ring and the close of ethnic festivals imminent. **Reserve Ben Hardcastle £2420**

What an outstanding show of cattle today at Gisburn with bloodlines to match. Colin Booth representing WA & A Booth, Feizor led the sale with his Pine-Tree Sid sired heifer out of 11000 litre dam and grand dam selling for £2700 to Doug Graves, Carlisle. Another buyer down from Carlisle was Jeff Wilson who picked up Mr Booth's next lot at £2680, this time with a Regancrest Altaiota sired heifer. Brian Blezard, Ribchester, Preston successfully bid £2600 for James Rogerson, Poulton le Fylde Willsbro Red Razzel sired heifer. In the money as always was Lee Donkin, Blackburn with his Pictson Shottle heifer which sold for £2550. A total of 14 cattle achieved £2000 or more reflecting the strong trade. The show and sale was kindly sponsored by Cogent Breeding, with Barry Lawson, standing in for Ian Plews.

<p>Auctioneers comment: Prime lambs up £5 on the week! A good show of lambs forward today with an increased demand where a lot more could have been sold to vendor's advantage. Overall market average shows <b>190p/Kg or £75.70</b> per head. Lightweight lambs really good to sell all regularly over the 200p/Kg mark and all commercial type lambs out of mules averaged between 185p/Kg to 195p/Kg. Cast ewes were again sold to extreme rates even with a larger than average entry they sold well right to the end. Many Hill ewes sold above £70 per head to top at £77 for Lonk ewes from JM Fisher. Texel ewes from RH &amp; MR Ireland topped at £123 for a pen of 8 well fleshed ewes with several similar sized runs over the £100 mark.</p>

<p>Auctioneers comment:- As the season moves on trade at Gisburn remains strong! With approximately the same number of lambs forward this week as last week trade was slightly better where more lambs could have been sold to vendors advantage. An <b>overall average of 180p/Kg or £73 per head</b> would show a £2 increase on the week but accounting for a bigger number of heavy lambs forward. With new buyers in attendance all weights and qualities were well sold. Some great runs of lighter weight lambs from S &amp; P J Scrivin to £74.50 per head or 197p/Kg whilst heavy weighted lambs topped at £88 per head from F &amp; H Waddington, Bolton by Bowland. Commercial types out of mules sold from 175p/Kg to 185p/Kg very regularly. Cast ewes and rams less in number but remaining a strong trade topping at £97 per head for ¾ bred Texels and £125 for Suffolk Rams more needed to meet buyers requirements.</p>
