A decent entry of 25 considering today was the fifth Thursday in April. There was more enthusiasms this week with many of the regular customers swapping cull cows for fresh milkers. Days of Royton had a good day at £1820 and £1720 and regular vender H Ward took £1640 for a very milky heifer selling to John Dodgson. Good dispersal cows were easy to sell with a 2nd Calf Cow at £1340 from Joe Holden. A good run of 5 British Friesian Heifers in calf to an Angus for June met a great trade averaging £1050. Next week is Dugdale Show Week, look out for Wednesdays text message.

Trade was difficult today with not many top notch heifers on offer. Top price went to David Graveston for a tall pedigree heifer on 28 litres and next in line was Richard Ashworth at £1660. A superb run of heifers from Peter Dakin sold to either side of £1500 but older cows were the surprise of the day with farmer buyers looking for milk. Neil Edmondson second lactation went to Philip Mason at £1320. Friesian in calf heifers due to AA for June sold to £1040. Lets hope that turnout bring some confidence back to the ring side that turnout brings some confidence back to the ringside with a big entry of cattle expected for Anniversary sale on Thursday 2 May.

<p>147 calves today, a quieter day perhaps whilst farmers dash to get jobs done before the predicted break in the weather. 28 blue bulls topped at £550 from WH&amp;JW Hartley, Barnoldswick, closely followed by a trio from Alan Bowker, Carling at £545. Plenty above £400. The same two vendors claimed top spots in the heifer section at £505, £500 and £470 respectively. Generally the heifers were very good to sell with plenty in £350-£400 bracket.</p> <p>Dairy bull calves continue to sell well, up to £280, the majority above £100. Today was not stirk week but six more heifers turned up and met with much demand, Limousines £485, £490, £520 and £610. Blues £490 and £570.</p> <p>We expect 50 stirks next week. Entries to date include a batch of 10 angus heifers 8-11 most, all named sire from one farm. Vendors please let us have entries by Tuesday if possible to let purchasers know of likely numbers forward.</p>

A tougher day in the dairy ring with plenty of choice. Top quality heifers were in short supply with buyers happy to pay £2000 for the right goods Robert Butterworth took the champion rosette with a smart Tranthaite heifer selling to Brian Blezard, Ribchester. Regular vendors Colin Singleton, Philip Critchley and Anthony Bretherton also topped £2000 but trade was tougher at the lower end of the market with lots of 20 litres heifers around the £1250 mark. Heifer calves backed the trend averaging £400 each for 5. Neil Edmondson was well rewarded for his efforts selling a smart well uddered heifer for £2000 to judge Neil Forshaw.

A very quiet day in the dairy ring with everyone making good use of the weather. It was a case of drop and go in the calf ring and cull cow ring with 152 calves and over 90 cull cows. Top price dairy was a heifer from R & S Tattersall selling to Frank Wrathall at £1720 with Richard Ashworth not far behind at £1610. Peter Dakin offered a pair of Friesian heifers on a pick or pair basis which sold at £1350 each to E Howard, Blackburn. Next week is Cogent Pedigree Dairy show & sale with 40+ milkers on offer.

A quieter day in the calf department due to lambing time and the beautiful weather this week. But 152 calves forward and a flying trade for all breeds. Blue Bulls were £450+ time and time again. Blue heifers were perhaps the trade of the day, averaging nearly £4360 for all quality and the top end regularly £400+. Most dairy bulls sold in excess of £100 to an overall average of £115. Today wasn't stirk week, but ten turned up and all sold very nicely. A batch of 6 month old good black proper Friesian bulls exceeded all expectations and sold for £480 a piece. Six August born decent summering sorts all achieved £600+ for Continental x Males and £500+ for females. Next Thursday 16<sup>th</sup> April is Stirk week. Vendors are encouraged to pre-enter with Rachel on 07713075659 in order that buyers can be informed of potential numbers forward. We expect at least fifty to follow the calves at approximately 12.30pm

A good show of cattle today with an impressive entry of 2<sup>nd</sup> and 3<sup>rd</sup> lactation cattle. The pedigree class was a close contest but Darwen breeder Adam Mares claimed 1<sup>st</sup> and 3<sup>rd</sup> prizes and Philip Critchley had a to settle for 2<sup>nd</sup> prize. Making £2180 £2090 and £2060 respectively. None Pedigree winner was Richard Whitwell of Sabden with a wonderful heifer selling at £2200 to EJ Redmayne who also claimed James Rogerson 2<sup>nd</sup> calver at the same price. Second and third lactation cows from Harry Raw met a keen trade three of which sold to Tom Green for £1400 to £1720. At the bottom end of the market trade was much harder with some heifers struggling to £1300 and for the first time for many weeks some heifers were passed through but sold in the shippon later. Young stock from Richard Corlett Ormskirk was well received and made up to £550 for September born stirks. Thanks to John Dodgson for Judging and Dugdale's for sponsorship.
