Auctioneer's comment:

Christmas Show and Sale well attended with 240 cattle sold to a wide audience. Mrs Bailey took the honours with a March born Blue heifer selling to judge Greg Foster and daughter Rose for £1120. Reserve was an April born Blue heifer at £1000 for John Mellin and Clare Cropper. Messrs Skilling took the young bull class with a February born Limousin realising £820. Best in the steer class for WJM Greenwood was his March born Charolais at £1080 with second prize Charolais at £1000. Messrs Clayton from Wetherby achieved £1170 for their 20 month old Blue heifer which stood third in its class.

Auctioneer's comment:

I think we've started something! 4 more sheep dog pups from the same litter as a fortnight ago came down from Hawes again. 3 black and white bitches made £240, £210 and £140 followed by a red and white dog at £200. Not much in the way of ewes and shearlings today. A handful of tups got away – Texels to £110 and a 4 shear Charollais to £135.

The better end of Texel Gimmer lambs sold for £90, £77 and £70. Late born Mules made £52 and Masham Gimmers £60.

Even this late in the year and on a dreadfully wet Saturday, there was plenty of demand for store lambs. £76 was the top price, stores mainly in the £55-£60 bracket and averaging £49 right through for all quality.

Next sale is Saturday 12th December and we encourage vendors to pre-enter wherever possible no later than 12 noon 8th December to 01200 441351. Thank you.

Auctioneer's comment:

More numbers forward with an average trade throughout taking quality into account. Respectable premium prices for heifers, steers and young bulls but too many third quality animals requiring further feeding. Bulls look cheap on paper but again too many lean models and buyers comments that we have had a very good trade in comparison to numbers earlier this week.

Auctioneer's comment:

It was European day today in the dairy ring with four of the 17 on offer on German tags. Regular vendors M & W M Berry had three tidy heifers at £1700, £1660 and £1480 and new vendor Edward Mackereth sold a lucky meek heifer at £1620 to Brian Blezzard. Livestock Exchange of Horton took £1400 for a tidy and very milky import going to Critchleys of Hutton.

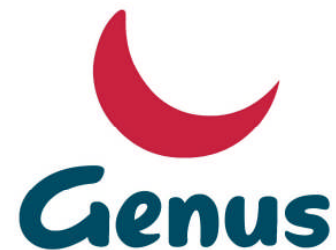

Next week is our CHRISTMAS DUGDALE DAIRY SHOW and we expect 30 to 40 new calved and some Pedigree stirks. This year's judge is Frank Wrathall and any bribes should be placed in a sealed envelope prior to the show!

Auctioneer's Comment:

58 Blue Bulls, sixteen of which sold above £400. 43 Blue Heifers half of which sold above £300. Plenty of Simmentals and Limousins all selling well to a packed audience. Some of the nicest Native calves (Hereford and Angus) to be found anywhere – all keenly bid for. If there was a shortage of anything today it would be black and white bulls, but better sorts easily above £100 and plainer sorts much dearer than lately.

Auctioneer's comment:

Less stirks forward following the larger calf entry – only 33 forward, but a total clearance and a decent trade for the sorts on offer. Please note the Christmas Show of Stirks will be held on THURSDAY 10TH DECEMBER. Please vendors, wherever possible let us know by lunchtime Tuesday 8th of your anticipated entries, then we can let purchasers know in advance of likely numbers forward. Thank you. Auctioneer's comment:

A good entry of lambs forward today selling away fast to a good trade. Handy weight commercial type lambs in good demand and achieving up to 173p/Kg no real smart lambs about today though. Heavy lambs harder to cash today with a surplus about up and down the UK. Ewes just easing across a lot of markets this week however Tups found homes at £95 per head and Texel Mule crosses £78 and Mules ewes in the £50 - £60 bracket.

Auctioneer's comment:

Surprisingly busy in spite of the dreadful weather and the fact it's the Christmas Calf Show next week – 182 forward today. 41 Blue bulls ranged widely from a handful at the start out of Jerseys to a top of £468 from new vendor F & E Harrison. 18 blue bulls sold in excess of £400. 25 Blue heifers nearly all made in excess of £300, just the ones out of Jerseys at the start of the sale caused the overall average to level at £287. 66 Black and Whites sold to £128, plenty above the £90 mark. The remaining 50 calves were made of up of a mixture of breeds and all sold very well indeed. We look forward to welcoming existing and new customers next week and anticipate a fantastic entry.

Remember, stirks follow the Christmas calves next week and it is far better for vendors if we have entries by Tuesday lunchtime for advertising – please ring 01200 441351.

Auctioneer's comment:

Numbers starting to tighten and helping trade for all qualities. Some good butchers lambs about today with many of the Beltex lambs in the correct weight band achieving well in excess of 200p/Kg to top 214p/Kg from Procters Farms and a couple of pens over 200p/Kg from J Mellin, Long Preston. Other commercial sorts would be in line with the national average at 150 – 160p/Kg. Ewes short of buyers requirements after last weeks bumper entry with horned ewes especially good to sell where more could have been sold to vendors advantage. Heavier ewes a similar trade on the week and buyers asking for big heavy not over fat continental ewes.

THE COGENT PEDIGREE DAIRY SHOW

Held at Gisburn Auction every third Thursday each month
Thursday, 19th November 2015

BOOTHS' CHAMPION SHADOW WENDY

The Cogent Dairy Sale seems to be gaining popularity and today saw a total entry of over 80 heads. There was a good show of both commercial and pedigree milkers and plenty of buyers for all types. Henry Sanderson (Genus) was our judge and chose a Feizor heifer by BCrest Shadow as Champion which sold to Talbots of Ribchester for £2,000.

Regular winner Colin Sutcliffe had to take Reserve spot but still managed the illusive £2,000 barrier. Booths also hit the £2,000 mark with a Golden Oaks Alexander heifer, selling to Doug Graves of Carlisle.

Pictured above: Ian Plews (Cogent), Henry Sanderson judge (Genus) and Will Booth with Champion Shadow Wendy

Commercial heifers were not far behind on price with 1st prize going to Brian Hall and selling to Alf Townend at £1800, and Eric Armer's 2nd prize heifer sold at £1900 to Roger Naylor. There are still odd heifers that struggle but today we had a very satisfactory sale. An unexpected entry of 28 in-calf heifers straight off grass and only scanned bulls in-calf sold well considering, making to £960 with most nicely over £800.

Auctioneer's comment: An increased show of lambs on the week after the bad weather of last and better trade on the week. More lambs required to meet buyers requirements and Farm Assured lambs required in the weight bracket 38 – 44kg. Some handy weight lambs about this morning were keenly bid for where more could have been sold to vendors advantages. Ewes in short supply and much dearer on the week.

Auctioneer's comment:

Smaller entry of breeding cattle with cows and bull calves to £1600. There was keen bidding for the suckled calf show with a wide audience Jack Pickup confidently placed first prize heifer and steer classes the Champion and Reserve for D P Moore with his Limousins at £1080 and £1050 respectively also making £1050 of a non prize steer D Capstick realised over £1000 for his third prize steer. Store cattle saw a brisk trade with the top price of £1100 for a blue x heifer.

Auctioneer's comment:

First into the ring today were 3 sheep dog bitch pups born on 24th August from A E Lambert, Leyburn all readily sold to a packed ringside at £220, £200 and £120. However, a new record at Gisburn was achieved next when regular sheep vendor David Williams from Rhuddlan, Wales sold his sheep dog bitch pup born on 12th August for £400.

Next into the ring were MV Accredited in lamb Charollais ewes from JD & V Towers, Farleton due December selling to a top of £300 for a one crop ewe scanned with a single and with twins to £260. David Williams' Suffolks sold to £235 scanned for two and £220 with a single.

Commercial sheep sold well enough for the types forward various rams all got away nicely. In the gimmer lamb section Mules were very much sought after, mainly above £80. The best Texel x Mules made £75 and a nice pen of Border Leicesters made £74.

Today, early though it is, was the Christmas Show and Sale of Store Lambs. Judge, Kevin Marshall, Darley, Harrogate awarded Anthony Thompson of Fouldridge 1st and 3rd prize in Class1 – The Best pen of Continentals which went onto achieve £82 and £81 respectively. T&M Johnson, Bolton by Bowland, 2nd prize pen of shapey Dutch Texels sold for £70. In the Native Class, Antony Thompson took 1st place again with a pen of Gritstones at £60. Alan Greenwood, Trawden was awarded 2nd place with Swaledales which sold for £47 and T Bamber, Longridge got the yellow rosette for a pen of Mules which sold for £53.50. Top price of the day was actually £88, again presented by Antony Thompson.

Store Lambs generally sold very well indeed – plenty of interest in the £55 - £60 bracket and an overall average for all types and breeds at £53.50 was achieved.

Auctioneer's comment:

Less young bulls forward with strongest trade topping at 220 ppk. More heifers forward not as good quality as last week but strongest trade topping at 259 ppk and steers to 239 ppk. Cull cows to 164 ppk with good numbers forward but dairy culls very lean, both better trade than appears on paper.

Auctioneer's comment:

A quieter day but our Sussex buyer put a good bottom in the trade buying both Neil Edmondson cows at £600 and £740. Considering they both had faults they were nicely over cull price. Top price of £1620 went to Rob Smith of Samblesbury followed by Brian Hall at £1600. Two Ayrshire 2nd calf cows in fine form made £1560 and £1540 for Colin Huyton with the rest of the heifers looking good value at either side of £1300. In calf heifers topped at £1310 and £1300 for David & Sue Graveston and heifer calves made to £310 averaged £280. NEXT WEEK: Thursday 19th November, we have 12 pedigree Holstein stirks and about 30 milkers, so far, being our monthly Show and Sale of Cogent pedigree dairy cattle.

Auctioneer's comment:

Lambs forward in greater numbers today to the usual and new ringside of buyers, 38-44kg lambs very well bid for and regularly 155ppk to 165ppk. Bigger weighted lambs harder to cash and only a few pounds over the handy weight lambs. An overall average of 152ppk would be better altogether on the week. Ewes forward in larger numbers today which went a similar trade to last week. For more information contact Jonathan on 07834 772276.

Auctioneer's comment:

With torrential rain continuing to fall this morning lamb numbers were constricted and more were needed to satisfy new and existing buyer requirements. However with 7 active buyers present trade was much improved. Still a lot of weight about and an average of £67 per head would look good on the day and a lot of handy weight lambs at the 160p/kg mark. Ewes now drying up and short of numbers with a better trade on the day.

Please note all lambs are required to be belly clipped prior to sale and Seth Blakey will be providing this service from Thursday 12th November onwards.

Vendors must also be aware that following a case of anthrax in Wiltshire it is imperative that Vendors sign a declaration to confirm the residency of livestock they consign to sale. The reason for this is that skins and hides will only be eligible for export to china if this declaration is given and without it then the residual value of skins and hides may be nil. The declaration form shall be available for download on the website of a hard copy available on the front desk at the auction. Please complete the form and hand in with your licence.

Low entry of young bulls forward topping at 231 p/kg for B Clegg. Improved entry of prime heifers topping at 270 p/kg for R W Longton and again for J M Townsend with 17 heifers averaging 250 p/kg. AA & EE Critchley topped the steers with 271 p/kg out of 6 premium grade steers averaging 253 p/kg. *Where else do you see these prices on a H&H show day!* Cull cows were a little harder to sell but farm assured cows with finish were in demand and Gisburn buyers competed for numerous outlets.

Skipton dairy farmer David Hall was the judge for the Dugdale Dairy Show today. The non registered class saw a mixed selection with regular vendor Stuart Forshaw claiming first prize and selling at £1220 to Frank Wrathall. But it was Brian Hall's 41 litre 2nd prize heifer that sharpened up the trade, selling at £1880 to David Coulthurst of Longridge.

The Pedigree class was well and truly in another league and Colin Singleton fought off a strong challenge from Lee Donkin and David Booth (Feizor) but, claimed first and top prize at £2,100 to Hill & Davis of Wrexham. The same buyer went on to claim the other two Singleton heifers at £1950 and £1900.

Picture: Colin Price(left), Dugdale's Senior Ruminant Specialist and Colin Singleton (right) with the prize winning newly calved pedigree heifer of the Lady Beaty family, by R W Seaver, giving an impressive 38 litres.

Well done Colin, James and Andrew.

David Booth's heifers were also in demand and with both giving over 30 litres they sold at £1980 to David Coulthurst and £1840 to Ropers of Longridge.

There was the best show of cows on offer for a long time with Neil Edmondson selling his first prize, second calved cow to Alf Townend of Southfield, Nelson at £1780 and his third prize cow at £1890 to Wick Williams.

Second prize in the cow class went to E Nowell & Sons, Bashall Eaves and also went to Wick Williams at £1710.

Heifer calves sold well for David Mattinson at £390 and £330, and for Peter Dakin at £320.

Cull cow numbers saw a bigger than expected entry of 100 dairy cows out of 155 forward. Trade for Farm Assured cows remains firm but non farm assured cows can struggle by up to 20 p/kg **so please ensure all up to date information is correct on your entry forms.**

Auctioneer's comment:

A much better show in the number of lambs forward today with a real mix of qualities and weights. Overall average to include again a lot of big weighted lambs but in line with Tuesday and Wednesday markets at 145p/Kg. A good show of best end butchers' lambs topping at 227p/kg from Proctors Farms closely followed by J & K Heys, J Mellin and R J Lambert all topping above 200 p/kg. Many of the fleshed export weight lambs 150p/kg to 160p/kg. Ewes forward today were a similar trade on the week with little flesh about however the best fleshed ewes at £91 per head and horned ewes at £40 per head more could have been sold to vendors advantage.

Auctioneers comment. All categories of sheep better to sell today with a decrease in numbers forward in other morning markets pushing the price up. Handy weighted lambs showing the best increase up to 44kg in weight however still a lot of heavier lambs being presented only a few pounds better than the smaller weighted lambs. Ewes showing a better following and keenly bid for. With continentals up to £95 and rams at £99 they looked well sold mules of varying qualities would attract an increase around £8 - £10.
