### Dairy Auctioneer Fred Spurgeon. Auctioneer's Clerk: Stuart Handley

The dairy shippon was almost full at 9.30am and by the start of the sale 80 Milkers were on offer. Judges today were Ted & Alex Walton and their Champion was a well balanced 2<sup>nd</sup> lactation cow from Alan & Colin Price Clapham, selling at £2020 to Dave Coulthurst. G Donkin had a good run of heifers selling to £2120 to Talbots of Ribchester. There was some caution in the bidding and anything showing age or slight faults suffered, but the best commercials and pedigrees were a strong trade. Top pedigree came from Sam Sugden with a very powerful 40ltr heifer selling to Dave Coulthurst at £2300. Top non registered heifer came from heifer rearer Jonathan Shorrocks selling at £1930 to Wick Williams.

Geoff & Margaret Booth continue to have a successful dispersal with cows at £1950, £1800 & £1750.

**NEXT WEEK:** We have 4 Montbeliarde x from J Pye and 40 smart young cows from Alan Parkinson. Highly Recommended

*Fred and the dairy team ☺*

**Calf & Stirk Auctioneer Rachel Capstick. Auctioneer's Clerk: Sarah Wallbank**  
The small calf pens were full before 9.30am this morning. A total of 364 calves and stirks turned up. Trade today took the predicted knock, as several buyers are busy with harvest and some others stayed away, concerned about fodder, grass and water! That said, even in a difficult trade, the good ones will always sell. Top Blue Bull calves all above £400 and best Blue Heifers £300-£385. It was the second rate calves of all breeds that experienced the most resistance today. However, black and white bulls bucked the trend – the top 20 all sold between £100-£175. The same scenario in the stirks. A run of suckler bred heifers from John Clarke were well bid for, above £600-£682 and a smart young Limousin Heifer from Nigel Garth took no fault neither at £670, but the smaller and plain sorts were much more difficult to place today. Thank You
