Andrew Jennings took the champion rosette today selling at £2,180 to Dave Coulthurst. Bargh Brothers won the non-registered class selling at £2,120 to Ted Walton. The last heifer in the ring went to W Oldfield from Colin Singleton at £2,100. There were some great pedigrees on offer today and our catalogue is online over the weekend if you want to browse.

Trade for the top end was not quite as fast but the middle range were every bit as good as the previous week.

We welcomed another dispersal today which should ensure good numbers over the coming weeks.

A good entry of young stock met a keener trade than before Christmas. Fourteen month old bulling heifers from Doug Graves sold to £740 and a run of March/April born Genus bred heifers which were well grown sold to £660.

In-calf heifers from Roger Pye due March made to £1200.

**NEXT WEEK** we expect 30-40 new calved

185 Calves and Stirks through the door today and it just goes to show no two weeks are ever the same! A packed audience for the better calves and much more of the better type of calf compared to last week. 43 Blue bulls topped at £495(x5) from Alan Bowker. Plenty in the £400-£480 bracket, but lots of choice of smaller model either side of £350. Alan Bowker topped the Blue heifers as well with a pair at £375. Others generally either side of £300 and an overall average of £239 for the 23 forward. Basically trade was well and truly up for all breeds today. Angus and Herefords were very good to sell. Not many stronger black and white bulls today but those that were, sold well at £190 £175x2. Even the smaller sorts were a pound or

two better today.

Stirks next, nearly all about 6months. Angus males topped at £640, Herefords at £610 and Limousin's either side of £600. All males averaged £453. A pair of Limousin's topped the heifer trade at £602. The rest of the heifers were dairy X types and averaged £425.

**NEXT** Stirk Sale is the end of the month on 31<sup>st</sup> January
