Auctioneer Fred Spurgeon:

A good entry today with a total mix of goods. Top class heifers from J Seed & Son, Thornley sold to £2200 and £1900 and first prize commercial heifer came from David Wilcock, Bolton selling at £1980. First prize cow came from Sam Pye selling at £1900. Trade was solid with too many to mention from £1800-£1900 which was a ve

ry pleasing result considering the weather took a few bidders away.

In-calf heifers were a strong trade selling to £1580 and £1540 with nothing under £1270. The trade of the day was for the pedigree stirks from Doug Graves selling to £910 with another group to sell in May.

NEXT WEEK we expect 30 milkers with six from David Graveston.

Fred and the dairy team ☺

What a super little entry of calves on a glorious sunny Thursday when ordinarily we might have expected to be quieter. Nearly 50% of the total entry were Blue. Bulls were particularly good to sell, top prices P & J Cowgill £462, £440, £430, £422, £420, £400. Stephen Breare £460, £458, £440. AJ & AJ Gibbons £440, £430, £425 and £420. J & RJ Parsons £428. F Talbot £420. J&SA Lancaster £400.

Blue Heifers topped at £422 and averaged just shy of £300 including more younger calves than usual for Gisburn. The Parsons family showed a batch of superb Simmental bulls £415, £405 and £388 and heifers at £350 and £340.

More Limousins about today from Graham Billington, Graham Stephenson and John Holden topping at £325 for heifers and £315 for bulls. The majority were young calves, bulls and heifers either side of £250 generally.

Angus bulls were good to sell. Remember please to ensure full registered sire name and sire eartag are included on the passports for Angus and Hereford in order to sell them as 'named sire'.

Dairy bulls were in short supply but very good to sell, averaging £92 right through. Best sorts from Roger Pye £242, £238, £160, £128 and £125 for proper black sorts.

NEXT WEEK IS STIRK WEEK. We expect an entry of approx 180 calves followed by 100 stirks.

Thank you.
